

VERMONT MAPLE OUTLET

*A Family Farm
Since 1910*

2016 - 2017

WELCOME

It's hard to believe another year has gone by and we are now entering our 28th year. Our sons Evan and Sean who are 7th generation on our family farm are becoming great helpers at our country store and in our sugar woods. They both enjoy meeting customers from all around the world and sharing with them our family tradition of making Pure Maple Syrup.

Here at Vermont Maple Outlet we strive on quality and freshness for all of our products. Our maple candy and maple cream are made in small batches several times a week and our Pure Maple Syrup is hot packed fresh weekly as well. When

preparing each mail order to ship, we carefully package it to arrive safely at your doorstep while adding a hand written gift card to add that extra special touch for your loved ones.

We thank you for sharing our taste of Vermont and for supporting our family business. Join us on the web or if you're in Vermont stop in for a visit at our country store and take part in our family tradition.

SINCERELY,
The Fletchers
Dan, Michelle, Evan & Sean

.....

GRADE A GOLDEN WITH DELICATE TASTE: *'Vermont Fancy'*

Is a light golden color with a smooth, delicate maple taste. Its delightful maple flavor lets the subtle taste truly be appreciated. Excellent as table syrup or over ice cream.

GRADE A AMBER WITH RICH TASTE: *'Grade A Medium Amber'*

Is a light amber color with a more pronounced maple taste. This is our most popular grade for table and all around use. Great on pancakes, waffles and French toast or try it in your coffee or tea.

GRADE A DARK WITH ROBUST TASTE: *'Grade A Dark Amber'*

Is a dark amber color with a stronger, more robust maple taste. Its heartier maple flavor makes it excellent for cooking but still great for pancakes and all around use. Try substituting Dark Robust for sugar in recipes or pour over oatmeal as a sweetener.

GRADE A VERY DARK WITH STRONG TASTE: *'Grade B'*

Is the darkest grade of maple syrup and has the strongest maple flavor making it an excellent cooking syrup. Its strong maple flavor will carry through in any of your favorite dishes.
